

Program Your Cell Phone to Receive Weather Alerts

www.emergencyemail.org

Some cell phones can be programmed to receive weather alerts. Contact your phone provider customer service to ask about or activate these features. The following shows the basic instructions for the website below.

Page 1 - Choose your state of residence

Page 2 - Choose your county of residence

- Page 3 -
1. Cell phone number for your email address (*see list below for carrier address*)
County of residence
Zip Code
 2. Choose options you would like to be notified on
 3. Choose Cell Phone for how you receive your alerts
 4. A. You have the option to block alert times
B. Choose your Time Zone
 5. Click ADD
