

# Become an Emergency Medical Responder in Your Community

*Step up when it matters most.*

Are you ready to make a real difference close to home? Join our Emergency Medical Responder (EMR) team and provide critical care when every second counts.

As part of our team, you'll respond to medical emergencies in the Fairfield Glade area, working with Cumberland County EMS. You'll provide basic medical care and support until ambulance personnel arrive and take over patient care.

We are currently seeking new members who reside in or near Fairfield Glade to join our EMS team. EMS members will not be required to be cross-trained as firefighters.

We're looking for caring, dependable individuals who want to help others in urgent situations. Previous medical experience is helpful, but not required. We provide all training and equipment in accordance with state guidelines.
